

## *A Note from the Principal ...*

Tuesday 10th April 2018  
Week 11  
Term 1  
School Cell phone: 027 537 5779

Greetings,

Term 1 comes to an end with a celebration or two this week. We have just had our Senior Leadership Awards with some very wonderful words spoken to describe exceptional Year 4,5,6 students. Some excited children will be going home this afternoon with news to share with their families.

We are preparing to celebrate Mr Bodle, our esteemed Caretaker, this Thursday afternoon at a special Assembly. Mr Bodle is retiring from Makauri after many, many years of tending to our gardens and buildings. We will miss him and his sidekick and 'doggy friend to all', Louis. You are most welcome to come to this special assembly as well as Room 7s Assembly on Friday to end the term. Enjoy a wonderful break. Be safe and see you all on 30th April.

*Judy Nicoll*

## WORKSHOPS

Monday 23 April

Mona Lisa

10am-12pm & 1pm-3pm

Learn about the "the best known, the most visited, the most written about, the most sung about, the most parodied work of art in the world" the Mona Lisa. Kids will have fun making a contemporary version of the Mona Lisa to take home. Booking essential. Age 4 - 12

Tuesday 24 April

Painting Horses

10am-12pm & 1pm-3pm

In this session we will explore how to paint horses like Rosemary Parcells expressive paintings. Be bold and gain confidence! Wear or bring a suitable painting top. Booking essential. Age 4 - 12

Thursday 26 April

Korean Tiger Puppet

10am-12pm & 1pm-3pm

Taking inspiration from the tigers in the Jack Richards Gallery, kids will learn about the sacred Korean tiger and create their own paper bag tiger puppet. Booking essential. Age 4 - 12

Friday 27 April

Catapults and Pendulums

10am-12pm & 1pm-3pm

Age 4 - 12

Be like da Vinci and explore the forces of motion and gravity, we will make a catapult and an artwork by using a swinging pendulum. Booking essential. Age 4 - 12

# HAPPY HOLIDAYS

## SCHOOL HOLIDAY PROGRAMME

Gisborne: 16th - 27 April 2017

### WHAT WE OFFER

Every school holiday The Mind Lab by Unitec morphs into a haven for young makers, doers, thinkers and tinkerers. Here, they discover the importance of creativity, teamwork and perseverance by experimenting with the very latest digital technologies. Whether it's their first session or their fiftieth, they'll be faced with new, engaging challenges in a supportive, encouraging environment.

Our classes run from 9:00am to 4:30pm weekdays (drop off from 8:30am and pick up by 5:00pm).
