

A Note from the Principal ...

Tuesday 7th August 2018

Week 3

Term 3

School Cell phone: 027 537 5779

Greetings,

There is a plethora of whacky students at school today, looking zany, wild and wondrous! Thanks to Melody and Briana for their leadership programme initiative, where they had to fundraise for a worthy cause. Planet Sunshine, the children's ward at the hospital will benefit by \$273. Huge thanks everyone for your generosity. Thanks Melody and Briana.

You will see a flyer attached to this newsletter on the **planned teachers' strike action due to take place next Wednesday, 15th August**. This is action not taken lightly by teachers. In fact it is 24 years since the last teachers' strike. This action is about more than money! It is about the future of teaching, actually having teachers in front of classrooms. In recent years there has been a 40% drop in people training to be a teacher. New graduates are only staying in teaching for an average of four years.

Do ask questions of any teachers at Makauri about our concerns. We welcome your interest and support.

Judy Nicoll

MAKAURI SCHOOL PRODUCTION

12th & 13th SEPTEMBER

Makauri School is building up for its bi-annual production at the War Memorial Theatre. Every student in the school is in the production. The main story is staged around each Room's performance so your child will be wearing a costume and performing in this magnificent venue. The show is in the evening and will begin at 6.30pm. All shows run for approximately 2 hours. There is a dress rehearsal on the Wednesday which the children are bussed to.

Tickets are \$15 and on sale from 27th August. Tickets will be sold at the office. **NO HOLDING TICKETS** Cash and EFTPOS accepted, **NO INTERNET BANKING.**

School students are all behind the scenes during the performance so do not need to have a purchased ticket.

More information will be posted on Facebook and put into the newsletter over the next few weeks.
