Greetings,

A new term starts and already we are well into the next steps in our collective learning journeys. This evening at Gisborne Intermediate at 7.30pm there is a parent meeting for the local schools in the Manaikalani Programme of digital teaching and learning. Our Year 5 & 6 parents are invited to attend. They received a notice about this meeting last week. The programme involves a facilitator visit to the classroom each Friday to support teachers and students with digital tools across the curriculum. We are all learners in this digital space and enjoying the new skills we are learning.

We are also into the next round of interschool sports with the Badminton Competition tomorrow. Our Boys Team are current champions and have been practicing hard to try and retain the trophy. Good luck to both the Boys and Girls Teams tomorrow.

Have a great week everyone and enjoy this wondrous Autumn weather.

Judy Nicoll

A big welcome to our new Caretaker, George Newlands, grandfather of Rebekah, Joshua and Molly and father-in-law of Rachel Newlands our Room 6 Teacher. We like keeping it in the family here at Makauri!

George is a retired farmer, and recent Caretaker at Leaderbrand. Do give him a cheery hello when you see him around the school.

Keeping our school safe and looking fabulous is George's mission.

MAKAURI SPORT SHIRTS AND HOODIES

We have had a few more enquires regarding sports shirts. We will need a minimum of 10 orders to keep the price at \$45. If you are still requiring one please fill in the form below and send to school. Price is \$45 which includes the child's name embroidered on the front. A suggestion is to put your surname, then the shirt can be used by all in the family. Likewise if we have over 10 orders for hoodies we will do another run. Hoodies are \$60 with name on the back.

If you take up this offer this would greatly help the school use funds for teaching and learning rather than for sports shirts.
